- 1. On February 15, 2012 the decision of the ALJ was issued and the case transferred to the Board. Pursuant to the Board's Rules and Regulations, the date for filing exceptions was March 14, 2012, and the date for cross exceptions and/or response to exceptions is March 28, 2012.
- 2. The parties to this case are also party to prior cases, including <u>NTN Bower</u>, Case No. 10-CA-37271, et al., now pending before the D.C. Circuit Court of Appeals on review. <u>NTN Bower v. Circuit the parties have engaged in mediation of their dispute, have made progress toward a resolution of their dispute, and are currently engaged in further settlement discussions towards a final resolution of all pending matters.

In order to facilitate on-going settlement discussions between the parties toward resolution of this case and all other matters pending between them, Charging Party UAW requests an extension of 21 days (through and including April 18, 2012) in which to file cross exceptions and/or a response to Respondent's exceptions.
